MOVING 🏠 – HERE TO HELP WHETHER YOU'RE MOVING OR NOT

MOVING ON is an exciting, totally new and unique concept of support for people considering moving home.

MOVING 🏠 TAKES THE 'MINEFIELD' OUT OF MOVING

We know that moving house can be a minefield. First of all there is the decision about whether to move or not. And if you decide to move, there's a lot to deal with – estate agents, finances, surveys, removals and more. And that's just the practical side of things. Moving can also be an emotional time too.

By choosing **MOVING ON** to help, you will get all the support you need to deal with everything, both the practical and the personal issues.

FREE, IMPARTIAL ADVICE

Firstly, we will help you consider all the options available to you so the decision you make is the right one. Importantly, our advice is impartial and completely free, and we can either talk on the phone or pop in to see you.

DECIDING TO STAY WHERE YOU ARE

If you decide to stay where you are, we will work with you to arrange any alterations or support that will make your life as independent and comfortable as possible. This is totally free.

DECIDING TO MOVE

If you decide to move and you would like support from someone who will always put your interests first, you can choose **MOVING ON** to market and sell your home. As a charity, we offer an ethical and professional service, and you will have the hands-on support of a Moving Planner – a dedicated person – to see you safely through the whole process.

We charge a competitive and inclusive fee of 1.5% + VAT of the sale value of your property.

WHAT'S INCLUDED IN THE FEE

- The support of your Moving Planner
- A realistic market appraisal of your home
- Help with preparing your home for sale – 4 hours from our **Handiworks Plus** tradesperson – **FREE**
- Help finding your new home
- Full support with all the paperwork
- Progression of your sale from start to finish
- Help with settling into your new community
- A year's free membership of **Handiworks Plus**

And much more...

Alternatively, if you don't need the Moving Planner service, we can sell your home for a fixed rate of 1% + VAT of the sale value of your property.

Any profits we make from providing you with this service will be used entirely to fund advocacy and support for vulnerable older people – and that's a promise.
